Lesson Planning Using AI Tools for Academic Session 2026-27

All teachers (Nursery to Class VIII) are hereby informed that in the upcoming academic session 2026-27, lesson planning will be aligned with new NCERT textbooks and updated academic guidelines. Teachers are encouraged to utilize AI-based tools and digital resources to design structured, innovative, and student-centric lesson plans.

Instructions:

1. All lesson plans must be prepared strictly as per new NCERT books and learning outcomes.
2. Teachers should refer to the NCERT official website for updated textbooks and syllabus.
3. AI tools may be used for:
 - Learning objectives and outcomes mapping
 - Activity-based teaching ideas
 - Worksheets and assessment design
 - Differentiated instruction and inclusive strategies
 - Integration of experiential and competency-based learning
4. Lesson plans must reflect:
 - Clear learning objectives
 - Teaching-learning activities
 - Use of digital/ AI tools where relevant
 - Assessment and homework strategy
 - NEP-2020 and competency-based approach
5. April 2026 lesson plan (Nursery-VIII) must be submitted by 02 April 2026 to compartment head without fail.
6. Compartment Head will review the lesson plans and provide feedback.
7. Non-Submission or delay in submission will be viewed seriously as it affects academic planning.

Important Note:

Teachers are advised to ensure originality, accuracy, and alignment with NCERT content while using AI tools. AI should be used as a support tool and not as a replacement for professional judgment and classroom planning.

This initiative aims to enhance academic quality, lesson preparedness, effective classroom delivery and students' assessment in the new academic session- 2026-27.

Class observation (Nursery - XII) by Director, BET / Principal will commence w.e.f. April 06, 2026 (Monday).

Let us work together to ensure structured and technology-enabled teaching-learning practices.

Thanks.
Warm regards.

(Pavan Vashishtha)
