A group of scholars from Birla Shishu Vihar participated in "The International Art Meet 2018" organized by Birla Balika Vidyapeeth, Pilani from 16th November to 24th November 2018. Artists from across the globe came Pilani to impart & tell the students a New Vision of Art. In total, 37 International Artists from Austria, Argentina, Brazil, India, Iran, Italy, Japan, Jordan, Lebanon, Lithuania, Norway, Saudi Arabia, South Korea, Switzerland, Thailand, Netherland, UAE, and USA participated in the 7 days' workshop. Few of us were familiar with the Curator of the Event, Ms. Babita Das as we attended this Art Meet last year too. The Artists taught us many interesting & thought-provoking art

techniques & skills. We got the opportunity to work & interact with the Artists from Lithuania, Saudi Arabia, Iran, USA, & Japan. Each of the Artists taught different techniques each day which made us more buoyant & more confident to paint what was in our mind. It was a bit difficult to interact with some of the Artists as they didn't know how to speak English but at the same time it was a wonderful experience with them. Our International teachers believed that they loved the work of our school students as they made everything through their imagination & resourcefulness. What could be the best sensation than smattering a jar full of blue color on the canvas & sketching our own imagination on it!
