**Greetings everyone!**

**It is my great pleasure to welcome you to the academic session.**

**Revisiting the past year which was riddled with difficulties and uncertainties, we see through the tough times we have emerged stronger. To rise above these unprecedented times, with a stronger mind and heart is what we endeavor to impart to our students at Birla Shishu Vihar.**

**As we usher in the New Year and embrace new found hope, it's worthy to note the invaluable contribution of our teaching staff. Their resilience and perseverance in providing a beneficial learning environment to our students is an admirable feat. As students once again begin to grace the hallways of school, albeit slowly and steadily, we shall always strive to provide them the best learning experience. Since last year, we have witnessed a fundamental shift in the teaching-learning experience. It has not been an easy transition and we once again extend our heartiest gratitude to the staff, students and parents for quickly adapting to the new circumstances. I appreciate their constant efforts to ensure that our commitment to quality education stays firm.**

**Lastly, wishing all of you a bright and prosperous new year!**

# New Year Resolution Speaking Activity

*New Year  
New Me!*

New year resolution is something which we want to achieve, something which we promise to attain by the end of the year. Every student sets new year resolutions to bring up good changes in his/her life and to work in an organized way. In speaking activity students adopted some useful skills and fun hobbies, like some sports, learning new languages, reading and dancing.

Few students decided not to spend hours sitting in front of T.V, laptops, smartphones and tablets but to enjoy outdoor activities .

The wheels of Human society moves on the fulcrum of interdependence. Every individual is as vital as a spoke in this movement hence deserves recognition and respect. Keeping this concern in view the students of Pre-primary learnt to respect and recognise the efforts, services and contribution of each professional in the formation of a harmonious community during an activity “ Meet our everyday heroes”.
