

69th Annual Scholars' Recognition Day-Principal- Report

Chief Guest of the occasion Prof. J. P. Yadav, Vice Chancellor, Rajasthan ILD (Institute of Leadership Development) Skills University, Jaipur & Raj Rishi Bhartrihari Matsya University, Alwar (Raj.). Maj. Gen. S. S. Nair, AVSM (Retd.), Director of Birla Education Trust & Chairman of School Managing Committee, Dr. V. N. Dhaulakhandi, Director, BSC, My colleagues at BET institutions, BET executives, eminent guests of Pilani town, media personals, parents and my dear students:

A very Good Evening to all of you!

On behalf of BSV fraternity, I feel truly honored to welcome you on the occasion of '69th Annual Scholars' Recognition Day' of our school.

At this juncture, I take the entitlement to pay our tribute to the Founder Chairman, Late Syt. G.D. Birla Je, for the affluent bequest inherited through him.

Just as a rainbow promises hope and brightens the lives by bringing in new vitality, vigor and zeal, the long cherished dreams have turned into reality under the leadership and guidance of , Syt S.K. Birla Je and Srimati Sumangla Birla Je.

I am equally pleased to take stalk of our achievements and glories on this occasion in the form of the Annual Report of the School.

Our school has honed and fine tuned a learning and life-skilling system that has been envied and benchmarked across the region for past few years.

An investment made in BIRLA SHISHU VIHAR pays many dividends through life. From the moment the child enters the school gates as a 4-year old, he gets to realise who he is; and where his potential lies. Irrespective of his background or caliber, he is groomed and nurtured in a way that he can stride into the adult world, confidently, responsibly and independently.

Yet, in today's world, no institution of repute and quality can afford to sit on its laurels. So, a decisive shift in pedagogical approach under the able guidance of Maj General S. S . Nair, AVSM (Retd), Director, BET has helped State's best day school to gain a global reputation.

School is progressing in leaps and bounds towards it's mission- "To meet global challenges with value orientation and liberation of mind"

We strongly believe that – 'Every Child is an Asset'

Education is the manifestation of the best in human beings. It helps to achieve the physical, aesthetic, intellectual & professional refinement for an all-around personality development. Following this spirit, considerable investments have been made in this field during the last 75 years, since our independence. But the quality of education that is imparted, has left much to be desired. There are moments in history when a new direction had to be given to an old process. That moment is today. We must change the course of history by shaping the future of our children- the future generation through education.

The Essence of Education

It has often been advocated that the destiny of India is being shaped in its classrooms. But the desired standard has not yet been achieved. Education needs a rejuvenation therapy. It must be jolted from the state of ennui to vibrant, pulsation, constructive and a dynamic system. We require an education which will change our mindsets from the teacher to the taught, from taught to the taught, from lecture to discussion, from theory to practice, from words to action, from the doer to the deed, from the text to the teacher, from chalk to the walk & talk, from blackboard to the video presentations, from PCs to laptop, from the young to the old, and from the child to the parent.

This is my vision of education for the future to create an education system that thinks globally and acts locally, an education which reaches us not only what to think, but how to think, and an education that provides lifelong learners, who can live in peace and harmony with others, and have hands & feet that will work along with their hearts & minds. And finally, I visualize an education that does not lead to differences but unites one and all. I visualize that the Indians who can conquer the world and yet give it away to the one that seeks it the most.

Birla Shishu Vihar is heading towards attaining a distinctive place among the top schools of the country. To achieve the set targets, certain steps and measures have been taken up in various fields.

Learner-centric Instructional Strategies

Quality education is based on the principle that there are immense variation of excellence and multiplicity of talents. In contrast to the preparations & development of 'One dimensional' learner, quality education will strive for the development of "multi-dimensional" abilities, cutting across the cognitive affective and psychomotor domains. Qualitative improvements of education, meeting the needs of the learner in terms of contents, methods and outcomes. Emphasis should be placed on information processing, that is learning how to learn and no accumulation of information through rote memory. It must encourage peer group for co-operative and collaborative learning

Global Ecological Concerns

Children need to understand & comprehend that the very sustainability of the planet is under risk, and they are the biggest stakeholders in the consequences that follow. In the warning to humanity, given by the noble laureates in 1992 it was stated: "We hereby warn all humanity of what has ahead. A great change in our stewardship of the earth & life is required, if vast human misery is to be avoided, and our global home on this planet is not to be irretrievably mutilated Environment, together with technology needs to be the transactional base to deliver the content of schooling system.

Conclusion

As we educate learner of all the ages for tomorrow's world, we must keep in mind that e-paradigms have already increased the need for educational planning. Let us contribute our educated foresight to build the e-highway, connecting the present with the future. We need to change our vision of the future - If we seek a future of our dreams & our needs.

We, the staff of the school are committed for making constant and arduous endeavours to implement best practices of educational field at Birla Shishu Vihar, Pilani to groom our students as lifelong learners and to ensure the progress of the school under the able guidance of esteemed members of Birla Education Trust.

The following lines from a poem most precisely and befittingly express the mission of achieving our goal of shaping the future of our children through education:

"No vision and you perish
No ideal and you're lost Your heart must ever cherish
Some faith at any cost.

Some hope, some dream to cling to,
Some rainbow in the sky,

Some melody to sing to, some service that is high."

ACKNOWLEDGEMENTS

I feel honored to express my sense of gratitude to the Chairman, the Board of trustees and the members of the management for extending their support and guiding us in our endeavours in our journey towards excellence.

I am undoubtedly very grateful to our Chairman and Trustees Syt S.K. Birla ji and Smt Sumangla Birla ji for their guidance and support.

I would like to place on record our indebtedness to Maj. Gen S.S. Nair, AVSM, director, BET for his advice, support & guidance.

I also express my gratitude to Chief Finance Officer, Dr. G.S. Gaur for their cooperation support and guidance.

My sincere thanks to all the Principals for their continued cooperation.

I would like to express my gratitude to all the Department Heads of BET for extending their support.

Dear Parents I greatly appreciate your kind cooperation in making our efforts a great success.

I am happy to say it all again that I am blessed to be the Principal of this school. My teachers, My subordinate staff and above all my students are my pride.

I would like to quote Sh G.D. Birla ji "There is a simple reason Birla Schools were founded, Schools didn't exist before we came along". We stand committed to our pledge for bringing out the best in each student of BSV and ensuring all that is required to reaffirm that "Every child of this school is an Asset".

Board Results

Top rank holders of our school of class - XII for the academic session 2021-22 are:

Sr. No.	Name	Percentage
1	Dishita	97.80
